Mr. Dale Larson, Director  
7600 West North Avenue  
Wauwatosa, Wisconsin 53213

Dear Mr. Larson:

Regarding the proposed class for amateur radio license training, and as per our phone conversation, we will tailor the course to your schedule and use Wednesday evenings from June 22nd thru August 10, 1977.

This will be at Wauwatosa East High School from 7 to 9 evenings. We will need a room with desks or tables and chairs. We would need a blackboard and chalk. Also a 16mm sound projector and screen. We will supply the tape recorder needed for part of the instruction.

We understand that we will be billed a fee of one dollar for each evening.

We foresee no hazards from any of the above equipment.

As soon as we receive the permit from you we will proceed to publicize our course.

Sincerely yours,

MILWAUKEE RADIO AMATEURS' CLUB
